

Executive Summary

The Pocatello Police Department is requesting permission to trade handguns. Yearly the department trades their older service handguns to Salt Lake Wholesale. Salt Lake Wholesale is one of the only distributors for law enforcement agencies in this region for Glock handguns. We currently purchase all of our ammunition from them as they have the state bid. We would be exchanging 40 Glock 21's for 40 Glock 17's. We would be able to get the newer firearms as a significantly lower price because of the trade in. We will be receiving the Glock 17's for \$110.00 if we trade the Glock 21 Generation 4, and \$160.00 for the Glock 21 SF's. To purchase a new Glock 17 is \$414.00, so the trade in saves the City of Pocatello a tremendous amount. The money is in the FY 2018 budget.

MEMORANDUM

TO: Brian C. Blad, Mayor; Members of the City Council
FROM: Rich Diehl, Deputy City Attorney 
RE: Police Department purchase/trade of Firearms with Salt Lake Wholesale
DATE: March 9, 2018

I have reviewed the documents which pertain to the PPD's proposed purchase/trade of certain firearms and they are in order. The City of Pocatello has done this practice before with Salt Lake Wholesale. It is my recommendation that the Council authorize the purchase/trade of the forty (40) older Glock 21s firearms for forty (40) Glock 17s. The monies for this purchase have been previously budgeted. If you have any questions, please feel free to contact me.
