MEMO

DATE: March 27, 2024

TO: Mayor Brian Blad and City Council

FROM: Tom Kirkman, Deputy Public Works Director

SUBJECT: Recommendation for Piggyback of Asphalt & Related Materials

It is my recommendation that the City of Pocatello Street Operations and Water Department piggyback the City of Pocatello's 2023 bid for Superpave HMA and aggregate as follows from Mickelsen Construction for their 2024 pavement maintenance season.

Material	Est. Tonnage	Price Per Ton	Estimated Cost
Superpave HMA	10,000 – 20,000	\$74.25	\$742,500 – \$1,485,000
¾" Road Base	5,000 – 10,000	\$7.50	\$37,500 - \$75,000
½" Commercial Bedding	3,000 – 7,000	\$5.75	\$17,250 - \$40,250
Clean Anti-Skid	500 – 2,000	\$7.00	\$3,500 - \$14,000
ESTIMATED TOTAL			\$800,750 - \$1,614,250

Mickelsen Construction was the lowest bidder for City of Pocatello last year and has agreed to allow the City to piggyback these prices upon your approval. These costs have been budgeted for in Street and Water Department's FY2024 budgets. Council may wish to authorize the Mayor to sign the necessary documents to effectuate the purchase.

To: City Council and Mayor
From: Matt Kerbs, Deputy City Attorney *MK*
Date: April 10, 2024
Re: Piggyback purchase of Asphalt & Related Materials

I have reviewed the above referenced documents relating to the piggyback procurement of Superpave HMA and aggregate which were previously bid by the City of Pocatello in 2023, and have no legal concerns with Council approving the purchase, as allowed by Idaho Code §67-2803(1), and authorizing the Mayor to sign the contract effectuating the purchase.

SUPERPAVE ASPHALT MIXTURE & RELATED MATERIALS PROCUREMENT AGREEMENT

This agreement for Superpave Asphalt Mixture & Related Materials is hereby entered into this _____ day of April, 2024, between Mickelsen Construction, Inc. ("Contractor") and the City of Pocatello ("City"). The parties agree as follows:

1. The Contractor shall provide the following material in accordance with all bid specifications, as described below for the contract period of April 2024 – March 2025.

Material Description: Superpave HMA, ½", PG 58-28
Estimated Quantity Range: 10,000 – 20,000 Tons
Cost per Ton: \$74.25
Pickup Location (Supply Point): 1908 Tank Farm Road, Pocatello, Idaho 83204

Material Description: ¾" Road Base
Estimated Quantity Range: 5,000 – 10,000 Tons
Cost per Ton: \$7.50
Pickup Location (Supply Point): 1908 Tank Farm Road, Pocatello, Idaho 83204

Material Description: ½" Commercial Bedding
Estimated Quantity Range: 3,000 – 7,000 Tons
Cost per Ton: \$5.75
Pickup Location (Supply Point): 1908 Tank Farm Road, Pocatello, Idaho 83204

Material Description: Clean Anti-Skid
Estimated Quantity Range: 500 – 2,000 Tons
Cost per Ton: \$7.00
Pickup Location (Supply Point): 1908 Tank Farm Road, Pocatello, Idaho 83204

2. Contractor shall allow the City of Pocatello to dump certain materials at their site for the cost of \$0.00 per ton for the contract period, including, but not limited to, asphalt supply waste, street sweepings, dirt, gravel, and concrete.

3. All Contractor's materials listed herein shall meet or exceed all requirements listed in the City of Pocatello's original *Invitation to Bid Superpave Asphalt Mixture & Related Materials*.

4. Contractor shall make material available to the City of Pocatello for pick up in quantities of ten (10) tons or more.

5. Contractor shall make material available for pick up within six (6) hours of notification from the City of Pocatello.

6. Contractor shall inform the City Street Operations Department immediately in the event of a plant breakdown, maintenance, or other incident that will disrupt their ability to provide the material.

7. Upon each request of the City, Contractor shall furnish a belt scale printout verifying that the plant is introducing RAP at the percentage approved in the mix design.

8. The tonnage amounts listed herein are estimate figures and shall not be construed, in any way, as a commitment on the part of the City of Pocatello to purchase like amounts during the contract period.

9. Contractor acknowledges that the tonnage amounts are subject to change based on the City's needs throughout their pavement maintenance season, and hereby agrees to provide materials in amounts that may be under or over the estimated ranges without penalty to the City.
